ASKA Pharmaceutical donates its medicine to Ukraine

TOKYO, June 30, 2022 - ASKA Pharmaceutical Co., Ltd. (Head Office: Minato-ku, Tokyo/ President, Representative Director: Sohta Yamaguchi, hereinafter referred to as “ASKA”), a subsidiary of ASKA Pharmaceutical Holdings Co., Ltd. (Head Office: Minato-ku, Tokyo/ President, Representative Director: Takashi Yamaguchi), announced that ASKA has donated 100,000 tablets of “THYRADIN-S TABLETS 50µg” to the Embassy of Ukraine in Japan for the purpose of providing humanitarian aid to Ukraine.

The medicine “THYRADIN-S TABLETS 50µg” donated by ASKA is a thyroid hormone preparation and is used as a treatment for hypothyroidism. ASKA has decided to make the donation in response to a request from the Embassy of Ukraine in Japan.

Based on its corporate philosophy “Contribute toward the improvement of people’s health and progress in medicine through the development of innovative products”, ASKA specializes in three core areas of Internal medicine, Obstetrics and Gynecology, and Urology. In addition, ASKA contributes to healthcare by providing products related to healthcare in these areas, with a focus on new drugs.

ASKA expresses its deepest condolences to the victims in Ukraine and sincerely prays that the people of Ukraine and all over the world can regain a safe and peaceful daily life as soon as possible.
