We will contribute to the stable supply of pharmaceuticals and the creation of a sustainable future through supply chain management. To achieve this, I will deepen my insights and continue to pursue innovation through creativity.

**Ryosuke Fujita** | Production Control Department, Production Division, ASKA Pharmaceutical Co., Ltd.

As a woman myself, I am working with the team every day with a sense of urgency, aiming to improve the quality of life for those suffering from gynecological diseases and to deliver medications as quickly as possible.

**Ryoko Kikuyama** | Clinical Development Department, Development Division, ASKA Pharmaceutical Co., Ltd.

At ASKA Animal Health, we work to create an environment that supports healthy and comfortable lives for the animals responsible for our customers' profits. Right now, I am doing everything I can, while also endeavoring to identify what I need to do in the future to help realize that goal.

**Masaya Omoto** | Kanto-Koshin Sales Group, Sales Division, ASKA Animal Health Co., Ltd.

We seek to create a society in which all women can choose their own life plan and live healthy and happy lives. I am confident that we can change the future for women in Japan through an accumulation of small steps.

**Haruna Nagasako** | Women's Health Department, Sales Division, ASKA Pharmaceutical Co., Ltd.

Drug development effectively means gathering evidence on existing products, while drug discovery involves the introduction and evaluation of new products. I find it very rewarding to work in this manner to create the future of ASKA Pharmaceutical.

**Motoko Fukui** | Medical Affairs Department, Business Development Division, ASKA Pharmaceutical Co., Ltd.

I feel a responsibility to continue monitoring information both from Japan and overseas to ensure the quality of pharmaceutical products that can be safely used by patients and other medical professionals.

**Be Hyo-yeon** | Pharmacovigilance Department, Quality & Safety Assurance Division, ASKA Pharmaceutical Co., Ltd.

As the Project Manager for Business Development at our affiliated company in Vietnam, my vision is to expand the global reach of high-quality pharmaceuticals manufactured locally in Vietnam. By leveraging our new pharmaceutical factory under international standards, we aim to contribute to improving the health of patients while positioning ourselves as a leading pharmaceutical company in Vietnam.

**Koichiro Tatebayashi** | International Business Department, International Business Division, ASKA Pharmaceutical Co., Ltd.

The Femtech Business Promotion Unit uses the knowledge it has cultivated in the Ob/Gyn field to offer options for solving women's health issues and concerns, which are becoming increasingly diverse and apparent. Through our efforts in Femtech, we aim to help as many women as possible improve their quality of life and play an active role in society.

**Chihiro Mitani** | Femtech Business Promotion Unit, ASKA Pharmaceutical Co., Ltd.

ASKA Pharmaceutical Holdings is venturing into the field of presymptomatic disease and prevention with our new business of hormone level measurement kits. We aim to contribute to health maintenance by advocating the use of these kits to "measure, know, and change" hormone levels through behavior modification.

**Tatsuro Hanazuka** | Sales Planning Department, ASKA Pharma Medical Co., Ltd.

Raise the awareness of researchers and contribute to the creation of an organization capable of "continuous production of new drugs." And I will create a future society where women are healthy and active through ASKA Pharmaceutical's drug discovery.

**Takako Sekine** | Research Planning Department, Innovative Drug Discovery Division, ASKA Pharmaceutical Co., Ltd.

I am engaged in compliance promotion, helping to ensure that ASKA Pharmaceutical Holdings fulfills its social responsibility and earns the trust of all stakeholders.

**Yoshiko Hashimoto** | Legal Affairs & Regulatory Compliance Department, ASKA Pharmaceutical Holdings Co., Ltd.

By supporting corporate planning activities, especially the formulation of medium-term management plans, I aim to ensure that ASKA Pharmaceutical Holdings realizes sustainable growth while also contributing to society.

**Tomoya Watanabe** | Corporate Planning Department, Group Business Management Division, ASKA Pharmaceutical Holdings Co., Ltd.
